

# LIVE PRO+ TWS

True Wireless In-Ear NC Headphones

Fast Pair

## More music, less noise.

The best audio solution not matter the device, JBL Live Pro+ TWS delivers an immersive True Wireless experience with incredible JBL Signature Sound. Let Smart Ambient connect you to your environment, or focus on the music with Adaptive Noise Cancelling. Then switch easily from tunes to group calls with dual beamforming mics to capture your voice with the feeling of face-to-face conversation and a third mic for environmental noise reduction. All commands are on the earbuds, so you can manage music and calls with your finger only. Get help from your preferred voice assistant through your voice or with a tap on the earbud. And if you set-up Hey Google, activate your JBL Live Pro+ TWS features only using your voice. With up to 28 hours of playtime from Qi-compatible wireless charging and super-fast wireless recharging, they're always ready to power your day.

## Features

- ▶ JBL Signature Sound for the best audio experience
- ▶ Adaptive Noise Cancelling with Smart Ambient
- ▶ Up to 28 hours of battery life, wirelessly charged
- ▶ Voice clarity with 3-mics technology
- ▶ Dual Connect + Sync and Fast Pair
- ▶ Get help just by using your voice
- ▶ Water resistant with comfort-secure fit
- ▶ Make them yours with the My JBL Headphones App

# LIVE PRO+ TWS

True Wireless In-Ear NC Headphones

## Features and Benefits

### JBL Signature Sound for the best audio experience

Providing the best audio solution for any device, Live Pro+ TWS headphones are small but powerful, with 11mm dynamic drivers for extraordinary JBL Signature Sound all day, every day.

### Adaptive Noise Cancelling with Smart Ambient

Adaptive Noise Cancelling means zero distractions when it's time to focus on your studies or get your groove on. And if you want to hear the world around you without removing your headphones, Smart Ambient sharpens the sounds of your surroundings.

### Up to 28 hours of battery life, wirelessly charged

Up to 7 hours of playback plus 21 in the case and JBL Live Pro+ TWS Speed Charge means your audio stays with you all day long. Power up super easily on the go with JBL Live Pro+ TWS Speed Charge and Qi-compatible wireless charging.

### Voice clarity with 3-mics technology

The Live Pro+ TWS allows you to switch easily from tunes to perfect group calls with a feedback mic for wind suppression and environmental noise reduction plus dual beamforming mics to capture your voice with crystal clarity.

### Dual Connect + Sync and Fast Pair

As soon as you open the case, the headphones instantly pair with your device and you're ready to listen to music, make mono/stereo calls, or engage your Voice Assistant in one or both ears. Plus, with the JBL app, it's easier than ever to assign functions to each earbud. With Fast Pair enabled by Google, the JBL Live Pro+ TWS are immediately connected to your Android device. You can also pair other devices just by tapping on the devices' screen.

### Get help just by using your voice

Get help from your preferred voice assistant using your voice or with a tap on the earbud. Activate ANC or Ambient Aware, check the battery life or power off your JBL Live Pro+ TWS simply with your voice with Hey Google. Use the all-new JBL App to easily set your preferred voice assistants.

### Water resistant with comfort-secure fit

Bring great music along wherever your adventures take you. IPX4 certified JBL Live Pro+ TWS headphones are water resistant, with five sets of silicone eartips to ensure a perfect fit.

### Make them yours with the My JBL Headphones App

Your headphones should adjust to you, not the other way around. JBL Live Pro+ TWS headphones sound and features can be easily personalized with the My JBL Headphones free App: change the EQ sets, set your preferred Voice Assistant, check the best eartip for your ear in just a few steps.
