

SOUNDGEAR SENSE

True wireless open-ear headphones

Sense the world around you

JBL Soundgear Sense true wireless open-ear headphones feature JBL OpenSound Technology with air conduction, which doesn't completely close off your ear canal, making them comfortable enough to wear for hours. Flexible earhooks rotate, so you can choose whether you want to focus on your music or calls, or let in more sound from the world around you. A detachable neckband provides an even more secure fit while you're working out, and an IP54 rating means that they can stand up to sweat—or even a light rainfall. Your voice will be crystal clear, even on a windy day, thanks to four voice mics. Customize how you use the intuitive touch controls on each earbud to handle your music and calls with the My JBL Headphones app. JBL Soundgear Sense is as adaptable as you are.

Features

- ▶ JBL OpenSound Technology
- ▶ Enhanced Dynamic Sound
- ▶ Up to 24 hours of battery life, plus speed charge
- ▶ Splash and dust resistant
- ▶ Hybrid design
- ▶ Dual connect and sync with fast pair
- ▶ 4 mics for crisp, clear calls
- ▶ All access touch control
- ▶ My JBL Headphones app

SOUNDGEAR SENSE

True wireless open-ear headphones

Features and Benefits

JBL OpenSound Technology

OpenSound technology in the JBL Soundgear Sense earbuds provides a natural sound experience, with almost zero sound leakage. Thanks to this innovation, the sound pressure is directed through waves towards the ears, and at the same time an opposite phase reduces sound dispersion. You enjoy your sound, while your privacy is protected. Also, the JBL Soundgear Sense rest on the curve of your ears without obstructing your ear canal, so that you can hear both your sound and the world around in full comfort.

Enhanced Dynamic Sound

Two smartly designed 16.2mm drivers - one per each earbud - feature a unique bass enhancing algorithm, providing an amazing no compromise sound experience with punchy bass and pure sound allowing you to enjoy every beat while hearing the world around you

Up to 24 hours of battery life, plus speed charge

For long-lasting fun, listen wirelessly for up to 6 hours and get another 18 from the charging case. If you're in a hurry, use the convenient Type-C USB cable—a quick 15-minute charge gives you 4 additional hours of music.

Splash and dust resistant

The JBL Soundgear Sense earbuds are rated IP54 dust proof and splash proof. So a gust of wind on a dusty trail or a quick summer shower won't even slow you down.

Hybrid design

The adjustable earhooks offer comfort and stability for all-day use. Going for a run? The included neckband provides an even more secure fit so you won't lose an earbud while you're working out.

Dual connect and sync with fast pair

Flip open the case and your earbuds pair with your device automatically. Use both earbuds together or use either one individually, thanks to Dual Connect.

4 mics for crisp, clear calls

Your friends, family, and co-workers will hear every word you say—even if you're outside and it's windy.

All access touch control

Just touch the earbud to control your music, volume, and calls. Use the My JBL Headphones app to customize your touch controls.

My JBL Headphones app

The JBL Headphones App lets you enjoy your music your way. Customize your listening experience and the touch control gestures, find your earbuds and the Smart Audio & Video modes. Download the App for free and discover how much more you can do.
